

TALKS AND WORKSHOPS

CAMERA CLUB BROCHURE

WHO ARE WE?

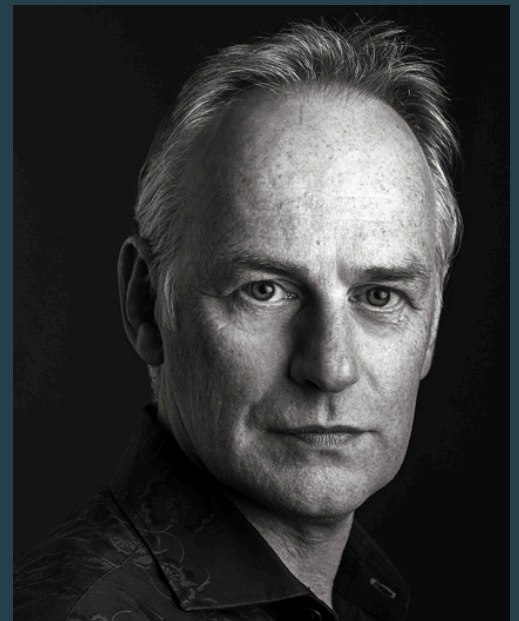

Stephanie Thornton

International Photographer of the Year with the BIPP, Stephanie is known for her award-winning dance and portrait photography. With over 20 years in the industry, she brings creativity, energy, and a passion for teaching to every workshop. Stephanie specialises in studio lighting, posing, and creative concepts that inspire photographers to push their skills further.

Steve Howdle

With decades of experience in fine art and portrait photography, Steve brings a calm, insightful approach to the club. His work is rooted in storytelling and classic technique, and he has a gift for helping others see light and composition in new ways. Steve's mentoring style balances technical knowledge with artistic vision, making him an invaluable guide for photographers at all levels.

WHAT WE DO

At Studio Photography Workshops, we believe learning photography should be practical, creative, and fun. Our sessions are all about doing—not just listening. Every workshop is a live, hands-on experience where you'll have the chance to experiment with studio lighting, work with models, and bring your ideas to life.

Hands-on learning

Gain real experience with lights, models, and sets

Confidence building

Feel comfortable working in a studio environment

For all levels

Beginner or advanced, you'll find value

Friendly community

Supportive, like-minded photographers

Easy explanations

We make studio concepts simple and clear.

Creative freedom

Try new ideas and develop your style

INTRODUCTION TO STUDIO LIGHTING

ABOUT

Studio lighting doesn't have to be complicated. In this workshop, we break it down in simple, practical ways so you can really understand how light works. Through clear explanations and exciting live demos, you'll see exactly what happens when you move and shape the lights—and get the confidence to experiment for yourself.

INCLUDED

Expert talk

Live insights, lessons, tips & tricks.

Live demo

See the lighting and direction in action.

Model

A professional model to photograph

Interactive

Hands-on practice to build your skills.

from £149

INTRODUCTION TO DANCE

ABOUT

Dance photography is all about timing, energy, and light. In this workshop, you'll learn how to work confidently with dancers, capture movement at its peak, and use studio lighting to create powerful, graceful images. Whether you're new to dance shoots or looking to refine your technique, this session will give you the confidence and skills to get stunning results every time.

INCLUDED

Expert talk

Live insights, lessons, tips & tricks.

Live demo

See the lighting and direction in action.

INTRODUCTION TO PET PHOTOGRAPHY

ABOUT

Capturing pets in the studio comes with its own unique challenges—and rewards. In this seminar, you'll learn everything you need to know to create stunning pet portraits, from understanding behaviour to building the right lighting setups. With expert tips, behind-the-scenes knowledge, and practical advice, you'll leave ready to photograph pets with confidence and creativity.

INCLUDED

MASTERING CREATIVE HEADSHOTS

ABOUT

Headshots are more than just a photo—they're someone's first impression. Stephanie has worked with top agencies and travelled for major commercial clients, creating portraits to the highest professional standard. This workshop is about mastering the craft: how to light, pose, and direct with confidence, while avoiding the conveyor-belt, one-size-fits-all approach. You'll learn how to create unique, polished headshots that truly stand out.

INCLUDED

Expert talk

Live insights, lessons, tips & tricks.

CREATING THE ICE QUEEN

ABOUT

Step into a world of frosted beauty and bold imagination. In this creative workshop, you'll learn how to combine dramatic styling, inventive props, and powerful studio lighting to craft striking Ice Queen portraits. From shimmering details to atmospheric effects, we'll guide you through building a look that feels magical, regal, and unforgettable. Perfect for photographers who want to push their creativity and add a touch of fantasy to their portfolio.

INTRODUCTION TO POISING

ABOUT

Great posing is the key to confident, professional-looking portraits. In this workshop, you'll learn how to direct with ease, guide your subjects into flattering shapes, and adapt poses for different body types and styles. With practical tips, demonstrations, and hands-on practice, you'll gain the confidence to get the best out of every person you photograph—whether in the studio or on location.
